## PROFESSIONAL SUMMARY

I'm a third-year Computer Science and Business Systems student at Medi-Caps University with strong expertise in full-stack development (MERN) and C++. Skilled in building scalable web applications, UI/UX design, and business analysis. Proficient in modern tools like Git, Figma, and REST APIs, with a solid grasp of agile development and database management. Passionate about bridging technology and business to deliver innovative, user-focused solutions.

## EDUCATION

Medi-Caps University  
Bachelor of Technology in Computer Science and Business Systems  
2022 – 2026
